Protect yourself, your family and your company's confidential information by disposing of it safely! Bring your sensitive documents to the STB Community Shred Day! Our employee volunteers will be at the SouthTrust Bank San Antonio Branch at 144 Moursund Blvd., San Antonio, TX 78221, ready to help unload your items and provide you with information about identity theft prevention!

Shred-It, Inc. will have mobile shredding units on site to provide free shredding of documents and materials.

Items for disposal may include:

- White or Colored Paper
