This information is provided to assist Real Estate Professionals and is not an advertisement to extend credit as defined by Sec.1026 of Reg Z. Rates, programs, and guidelines subject to change without notice or at underwriter's discretion. All loans are subject to credit approval and underwriting.

¹STB does not intend to extend any loans that would be deemed HPML. If Fed rates change such that the posted STB rates lead to such a designation, a borrower's rate will be adjusted downward to the maximum allowable non-HPML rate. Such adjustments will be made for any borrower with a rate above the HPML maximum. Loan Programs are only available for properties located in Texas.
